BOOTH LEADERSHIP

Growing Better Leaders

LEADERSHIP COACHING

TEAM DEVELOPMENT

- Live and lead with greater clarity and skill
- Lead and sell through your natural ways of thinking, feeling, and behaving
- Find influence and build trust on teams
- Communicate through building connection and navigate conflict effectively
- Integrate your leadership influence at work, home, and in your community
- Develop an inspired leadership team and healthy organizational culture

CULTURE BUILDING

GOALS & STRATEGY

- Execute team mission, vision, and values in real life
- Design an efficient, effective, and meaningful organizational structure
- Empower team members' talents & strengths
- Set goals that align with values and strategic vision
- Establish processes that really work and inspire growth for company, team, and individuals
- Develop strategies and equip team to fulfill them through structure, accountability, and celebration
